

For at oprette en ny installation  
Klikkes på +

Her vælges hvordan enheden  
skal tilsluttes,

Her udfyldes med information udleveret af installatøren.

EKSEMPEL:

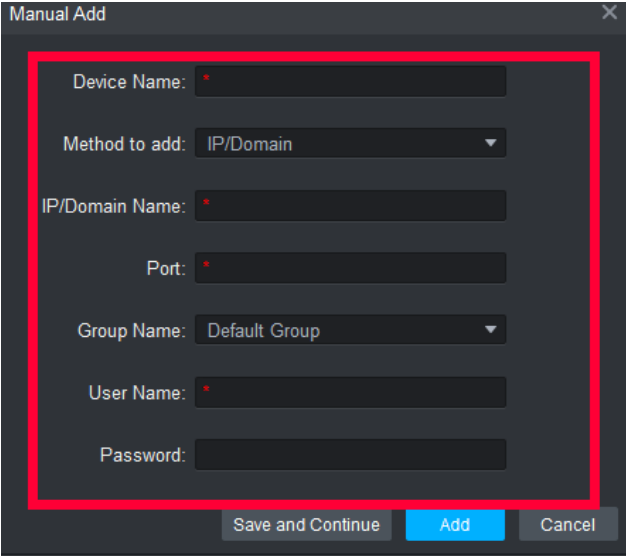

port: 8010

IP/Domain: 123.456.78.90

Enhedsnavn: SmartEye

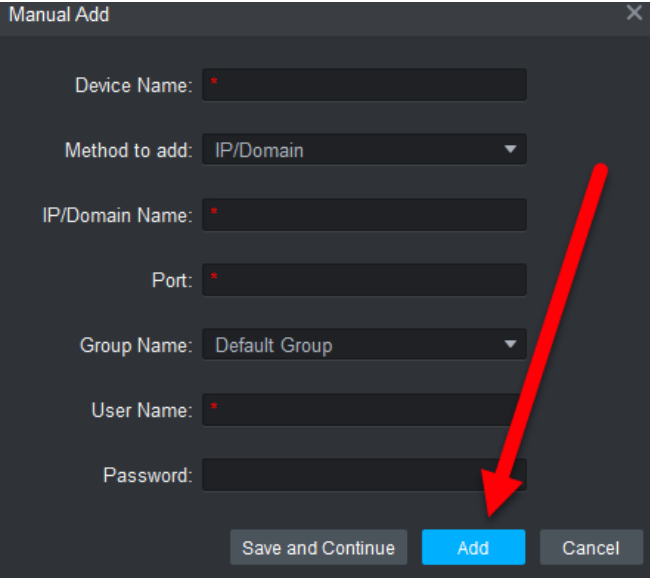

Brugernavn: Søren

Password: 12345678

The screenshot shows a 'Manual Add' dialog box with the following fields: Device Name (required), Method to add (dropdown menu set to 'IP/Domain'), IP/Domain Name (required), Port (required), Group Name (dropdown menu set to 'Default Group'), User Name (required), and Password. At the bottom are buttons for 'Save and Continue', 'Add', and 'Cancel'. A red rectangular border highlights the input fields.

Slutteligt klikkes på Gem

This screenshot is identical to the one above, but with a red arrow pointing from the top right towards the 'Add' button at the bottom.

Er der flere enheder installeret, gentages processen indtil alle enheder er tilføjet.  
God fornøjelse med jeres overvågning.
